From (Name) Major-General N.M.Wilson, C.I.E., O.B.E., K.H.S., I.M.S.,
(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

The Advisory Committee of the Government Headquarters Hospital, Bellary, at their meeting held on 17-10-39, considered that a medical diathermy apparatus was urgently necessary for the Government Headquarters Hospital, Bellary and sanction for the purchase of one was sought for by the Superintendent. As it was not possible to provide funds during 1939-40, the Superintendent was asked to renew the application for the purchase of the aboye apparatus during the current financial year.

The medical diathermy apparatus is absolutely necessary for the Headquarters Hospital, Bellary, for medical electric

electric therapausis. It is proposed to purchase this apparatus at a cost of about Rs.1,200/- from Messrs.A.F.Dean & Co.,London, through their local Agents Messrs.Heatly & Gresham,Madras. The above sum includes the cost of one Electric convertor also which is required to run the medical diathermy apparatus.

In the circumstances stated above, it is requested that Government will be pleased to accord early sanction for the purchase of the apparatus in question at an approximate cost of Rs.1,200/-.

The expenditure will be met from the current year's budget allotment of the hospital under "Medicines and Hospital Necessaries".
